MEMORANDUM TO: Mr. Kilbourne Johnston
Central Intelligence Agency

The enclosed memorandum considers certain responsibilities of PSB under NSC 10/5, raising some of the basic questions which we may wish to discuss at our meeting on Tuesday, 15 April, at 1400 hours.

The enclosed memorandum is merely a preliminary check list to aid discussion. It is obviously incomplete. Doubtless you will wish to add to it, even though the time is regrettably short. I'll be glad to collate suggestions.
